The Result of the First Round Election of the Delegates for the Nagpur Provincial Chapter-2023

Dear Confreres,

Greetings from Provincial House Nagpur!

We had initiated the E-voting process to elect the delegates for the forthcoming Provincial Chapter which begins in the evening of 9 November 2023 and ends in the afternoon on 13 November 2023 by 1.00pm. I am glad to share with you all the result of the first-round of election of the delegates for our Provincial Chapter 2023. Thank you very much for responding enthusiastically to the E-voting process. The result is inconclusive as the first round did not elect the required number of delegates for the Chapter. In the first round of election five confreres are elected by securing absolute majority. The second-round E-voting needs to be conducted to elect seventeen delegates by relative majority. Those delegates who are elected through the first round can only vote and cannot be voted for.

The General Administration will send the E-voting emails to the eligible voters on their personal emails for the second round on midnight of **06 October 2023**. The E-voting process will be for three days and it will be completed by **09 October 2023 by 11.30pm**.

This is going to be a very simple process, just open the email and follow the instructions as it is given, and you will be able to cast your votes. Thank very much for your kind cooperation and understanding.

The result of the first round of E-Voting as follows
